An accommodation request should be submitted and approved before the student starts work on each course. While accommodation requests are usually processed within three weeks, some may take longer. For more information, please see BYU Independent Study’s Accessibility and Accommodations Policy. Please email any questions to byuceaccommodations@byu.edu.

Please complete and submit this form along with supporting documentation of disability from a qualified healthcare professional. If the student attends secondary school, the student’s school counselor or parent/guardian should submit the student’s IEP or 504 Accommodations Plan. Requests for accommodations must be specific.
